October 28-31, 2010

The "Dixie" Lodge, nestled in the beautiful red rocks of St. George, will again be the host for this fun-packed weekend benefitting the State Major Projects of Arizona, California, Nevada and Utah.

The lodge parking lot is big enough to hold 50 RV units, with 14 electrical hookups. Water and waste dump are nearby. A covered pavilion with bathrooms and showers are also on site. Check their website at www.elks1743.com for a visual.

For those who prefer a motel, there are many in the area such as the Best Western, Coral Hills which has been used in the past. Their number is 1-800-542-7733, or check the website for a link to other motels in St. George.

Games will include shuffle board, pool, goofy golf and horseshoes (time permitting) as well a lively game of "golf fling".

See a breakdown of meals and activities on the registration sheet (back side).

Everyone is asked to bring items for the Saturday night silent auction.

A meeting will be held on Sunday morning to conclude the weekend and at which time checks will be cut for the states represented.
