Subject: Utah Elks State Convention 2020

Dear Utah Elks Members and Families;

We hope this finds you all healthy and hunkered down. After long consideration and listening to Governor Herbert, our special deputy, and our state sponsor concerning the Coronavirus, we feel it is in the best interest to comply with the restrictions set. With that being said, we are canceling the Utah Elks Association State Convention that was being held in St. George, April 30- May 3, 2020. Please remember that all lodges are to stay closed until the restriction has been lifted. Thank you for your support, we will make it through this together. Please stay safe and remember to practice good social distance.

Fraternal,

Hortt Carter  
UEA State President 2019-2020

Robert D. Pagnani  
Utah SDDGER
