UEA Secretary Report

Spring Meeting, March 2021

St. George Lodge Read any correspondence first.

As the end of the fiscal year quickly approaches, may I remind you to make sure that your membership report in CLMS is correct and balanced. If it is not, there are some things you can look at to try to remedy the situation before the end of the year. If you cannot correct the situation, then follow the instructions from Grand Lodge on how to correct the problem after April 1st. Grand Lodge will automatically file the year-end report on April 1st and you will be locked out of CLMS until this report is done.

Also remember that any membership to be dropped must be notified in writing before that action is taken and the must be dropped before the March 31st deadline or the Lodge will be liable for the Grand Lodge and UEA dues assessments. And remember that the UEA State Dues must be paid at State Convention or the Lodge is not allowed to ballot during the state elections. If your Lodge needs an invoice for the State Dues Assessment, contact the State Treasurer and she can create one for you from Quick Books.

Because of the Covid-19 Pandemic, many of our committees have not been able to participate in their activities this year. But if you have, please remember to report the hours on a volunteer form as soon as you can.

I am always available to assist anyone with whatever I can. What I don't know, I will find out and get back to you.

Respectfully submitted

Linda Gaines
UEA Secretary
