UEA Secretary Report
Spring Meeting, September 2023
Provo Lodge

Read Correspondence

As we come to the end of the Lodges' Fiscal Year on March 31st, hopefully you have sent out dues notices for 2023-2024 and that you noted the increase of \$5 per member in the Grand Lodge Assessment. Dues payments are based on your annual membership report so it is important that the report is correct and accurate.

A quick reminder that the UEA State Dues must be paid at State Convention or the Lodge is not allowed to ballot during the state elections. If your Lodge needs an invoice for the State Dues Assessment, contact the State Treasurer and she can create one for you from Quick Books.

I continue to remind you that volunteer reports are an important part of the work that we do and it is much easier to do the reporting as the events happen rather than trying to recall the event particulars with the deadline for event reporting is on March 31st. So, if it is a Lodge event - submit your report to your Lodge Secretary. If it is a UEA State Event, please submit your report to me.

I am always available to assist anyone with whatever I can. What I don't know, I will find out and get back to you.

Respectfully submitted

Dear Utah Elks Association:

Thank you for your generous gift of \$1,200.00 in support of Girl Scouts of Utah. Your contribution gives girls in our state the opportunity to participate in enriching experiences in our four program pillars of STEM, Outdoors, Life Skills, and Entrepreneurship.

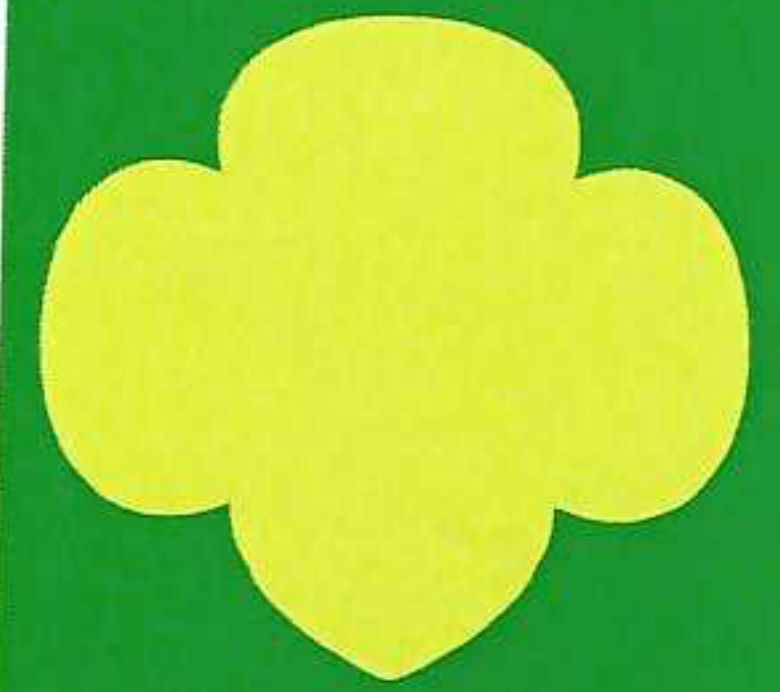

Girl Scouts is the preeminent leadership development organization for girls with research-proven programs that cultivate important skills needed to take the lead in their own lives and the world. Girl Scouts is proven to help girls thrive in five key ways as they: develop a strong sense of self; seek challenges and learn from setbacks; display positive values; and form and maintain healthy relationships.

Through our programs and opportunities girls not only change the world for the better, they change it for good. Girl Scouts of all backgrounds and abilities can unapologetically be themselves as they discover their strengths and rise to meet new challenges. Thank you again for supporting our mission of building girls of courage, confidence, and character, who make the world a better place.

With kind regards,
