UEA Secretary Report
State Convention, May 2023
Provo Lodge

Read Correspondence

Congratulations to all of the new Exalted Rulers and officers for this fiscal year of 2023 to 2024. I am sure you will all do an amazing job this year and will make each of your individual lodges very proud. Thanks to all of last year's officers for doing such a great job.

Volunteer reports are an important part of the work that we do and it is much easier to do the reporting as the events happen rather than trying to recall the event particulars with the deadline at the end of March. So, if it is a Lodge event - submit your report to your Lodge Secretary. If it is a UEA State Event, please submit your report to me. Let's make sure that our volunteer reporting for this year is kept current and complete.

As a reminder to all those that are attending Grand Lodge this year, pre-registration is now open. You must have a log-in at elks.org. Go to elks.org, log-in to the member only section and go to the Convention section where you will find the Pre-registration option. You can register guests at the same time, but members must register separately at their own log-in. This option saves you \$10 on your registration and saves standing in the payment line at Grand Lodge Registration. Grand Lodge is also asking that you register for the meetings you wish to attend so that they can plan for the number of attendees. That process is now open and available in the same section as pre-registration.

With the new year comes new challenges and I am always available to assist anyone with whatever I can. What I don't know, I will find out and get back to you.

Respectfully submitted

Linda Gaines
UEA Secretary

Lodge No. 8078

Dear Utah Elks Association:

Thank you so much for your gift of \$8,000.00 to the ENF Endowment Fund, which we received on March 27, 2023. Your choice to support the Elks National Foundation makes a difference in the lives of youth, veterans, and communities across the country. We sincerely appreciate your support.

With the 2023 Hoop Shoot National Finals just around the corner on April 22, the contestants have been hard at work honing their free throws. Our participants and the community support from volunteers continually impress and inspire year after year!

"We've touched the lives of thousands of kids over the years, and it's really nice when you get to meet these children and see that they're successful," says Larry Torres, the West Region 7 Director. "Kids are going to college, and they've learned grit: how to set goals and meet challenges. They've just become better people... I think the world is a better place because we do have the Hoop Shoot program."

Attending the National Finals isn't the only way to support our Finalists. You can follow the action from home on April 22 via the live stream on elks.org/hoopshoot.

The generosity of our donors continues to support future generations through programs like the Hoop Shoot, which teach them the skills it takes to succeed. We cannot thank you enough for your support of all the ENF programs that help make a difference in the lives of our community members.

Sincerely,

Jim O'Kelley
Director

President's final report.

Natalie and I visited California and Nevada last May and Arizona in October. ~~The~~ We also got to visit all of your lodges throughout the year and see all the work you do in promoting elksdom in Utah.

We attended multiple hoop shoot events across the state, regional hoops shoot in Boulder City, National hoop shoot in Chicago to support the two awesome kids we sent there.

We got to represent our state at Grand Lodge and made it all the way across the stage without dropping our state flag.

We had our fall meeting at Camp Wapiti for the first time in several years and had our State President from Nevada Debbie Ashin and her husband Bill. Then came Spring meeting in St George when we hosted our Grand exalted ruler Bruce Hadley his lovely wife Helen and Our Arizona state President Mike Weisman and his wife Kathy. Jump forward to this weekend and we have our California state President Brad Smith and his wife Agnes.

Through the year we have had the

guidance of our state sponsors at all
of our meetings and the support of all
our officers and committeemen in this
adventure you sent us on. Thank you
all and keep up the great work.
