UEA Secretary Report  
UEA Convention, May 2025  
Cedar City Lodge #1556

Read Correspondence

We are now about a month into the new fiscal year for our Lodges and ~~coming~~<sup>have come</sup> to the end of the fiscal year for the Utah Elks Association. Later today, the new officers will be installed and the U.E.A. will be off and running for another great year. I congratulate all of the new or returning Exalted Rulers and wish them all a great year for 2025-2026.

If you are traveling to Grand Lodge in Kansas City this summer, pre-registration is now open at Elks.org. You must sign-in as a member to do the pre-registration. Remember that a member cannot be registered as a quest of another member. You must have your own registration. The pre-registration lets you move past a line at registration and saves you \$10.00 on the registration fee.

All volunteer reports were finalized on March 31<sup>st</sup> for all Lodges and for the Utah Elks Association. All U.E.A. officers and committee chairmen should file at least one report for volunteer time outside of actual state meetings with the State Secretary each year.

*I am very pleased that Bonnie Blackson from Park City*  
Respectfully submitted *has agreed to take over the st. secretary job.*  
*I know she will do an amazing job.*

## 2025 Convention UEA Treasurer's Report

### Betty Archambault

Thanks to all for the support and help this year. I especially appreciate all of you who have sent requests for funds, with account numbers and totals. All seems to be going well.

As of yesterday...

The Balance in Zion Savings	\$ 96,338.02
The Balance in Checking Zions	\$29,649.22
Money spent on scholarship to date	\$ Given by Jared Wanless
Unclaimed Scholarship	\$ Given by Jared Wanless
Deferred Scholarship paid	\$ Given by Jared Wanless

Budget money deposited was \$153,839.49. I worked off income from member dues, ENF, and donations. We show we spent 155,489.49 (1650.00 over) But, that does not include the \$4000.00 deposited to scholarship from Deland Trust. Also, money for deferred scholarships paid this year was not included in the budgeted amount deposited. These are probably not final numbers, after this was composed, requests will probably be made and are not indicated in these totals. We are still well within the budgeted amount.

Trustees will designate money to be rolled over and some expenses may not yet to be submitted.

**Disbursement Forms** are to be used when requesting money from accounts. This gives me all the information necessary to write checks. Without a form, I cannot issue checks. A PDF form is available on line. Be sure to put the address of person/business receiving the check.

All new committee chairpersons should know their account numbers and how much money is available to spend before requesting disbursements. That information can be obtained from the treasurer prior to requesting money.

Receipts must accompany requests for money unless prior approval from Trustees has been given for the disbursement.

Betty Archambault, State Treasurer

# Antlers Report

May 2025

The Bountiful Antlers are doing Amazing Things.

Since Spring Meeting we had our Installation of officers on March 25<sup>th</sup> we had the pleasure of Brenda<sup>Shaw</sup> coming to Install 10 Great Kids into their various positions.

They also held a First Responders Appreciation Dinner there were 11 Firefighters in Attendance and after the dinner they gave all the Antlers a tour of the fire truck and Ambulance. It was a great time for all that Attended.

This month the kids are Hosting a family Movie Night at the Lodge.

In June they have planned a Fathers Day BBQ.

The Antlers help with selling snacks at our monthly Bingo. and were a great Help at our lodge spring cleaning.

I would love the opportunity to get your lodge an Antlers Program Started.

These kids are the future of our Organization and with our assistance they will be great. Leaders when they are old~~er~~ enough.
